EXPERIENCE

Charlotte completed her Industrial Psychology internship in 2015 through Schuitema Human Excellence Group, gaining experience in Organisational Psychology, HR Psychology, Recruitment & Selection, Career Counselling, Employee Wellness, Testing & Assessment and Talent Management. Since then, Charlotte has been consulting and facilitating in the space of leadership development, team effectiveness, organisational health and well-being, as well as individual growth.

As a consultant for Shine, Charlotte is also responsible for managing the Shine Internship Program. Every year, Shine places between 4-6 Industrial Psychology Masters Graduates at client host sites for a one-year internship. Charlotte ensures each intern gains the exposure and experience required to facilitate their growth from student to practicing professional.
