

ATTENTION ALL IOP MASTERS STUDENTS

WE INVITE ALL **ASPIRING** INDUSTRIAL PSYCHOLOGY MASTERS GRADUATES TO APPLY FOR OUR AWARD-WINING **HPCSA-ALIGNED INTERNSHIP** COMMENCING IN **2023**.

PURPOSE

Our unstructured internship programme aims to provide the intern with an in-depth theoretical and practical understanding of the field of Industrial Psychology. The internship philosophy will mirror that of Shine; thus striving for the development of personal, leadership and team relationships, to ensure optimisation and effectiveness at work. The content of our internship programme is based on the criteria set out by the HPCSA to ensure that the intern, following registration, can function independently as an Industrial Psychologist.

INTERNSHIP REQUIREMENTS

- Applicants must be registered as 'Student Psychologist' with the HPCSA
- Applicants must have, at least, completed their Masters Industrial Psychology coursework (M1) by December 2022 to commence the internship
