

Julia Makhubela

Executive & Business Coach

"We all impact each other and the world. I coach leaders to develop awareness and accountability of their impact in order to maximise their effectiveness within the group environment."

Experience

Julia is a skilled corporate educator, coach and employee experience designer. She is a board member of a JSE listed engineering firm. She has extensive experience in leadership development, team development, and designing inclusive and equitable employee experiences. She is passionate about creating organisations that are inclusive and beneficial for all people.

Coaching Approach

Julia is a Gallup Certified Strengths coach and a Time to Think coach. She assists clients to discover their unique strengths, find their voice, and manage their emotions so that they can show up in the world as their best selves. Through empathetic listening and incisive questions, Julia creates a psychologically safe space to help teams resolve questions, brainstorm, or break deadlock situations.
