

CHARLOTTE CRISP

"I strongly believe in growth, empowerment and creating a safe space where individuals and teams can be authentic. I believe in creating a healthy work-life balance, setting the example and drawing on passion and inspiration from all areas of life."

Experience & Skills

Charlotte is a registered industrial psychologist with experience in organisational psychology, HR psychology, recruitment & selection, career counselling, employee wellness, testing and assessment, and talent management. Using what she learned during her own IOP internship, Charlotte created and manages the Shine IOP Internship, which was awarded the SIOPSA Presidential Award in 2020 & 2021 for the best IOP Internship in South Africa.

Charlotte is also a Deep Democracy and CoResolve Facilitator specialising in team and leadership effectiveness. Additionally, Charlotte is accredited in a range of psychometric assessments used in team and leadership interventions, recruitment and selection.
