

CANDIDA DI GIANDOMENICO

"I am inspired by helping individuals, teams and businesses to unlock new and empowering skills and realise their potential."

Experience & Skills

Candida is a seasoned learning and development executive with over 25 years of L&D experience. Having held the role of L&D executive for over 13 years in leading companies, she comes with a wealth of knowledge and first-hand experience on how to assist organisations and leaders build high-performance teams. Her experience spans multiple industries. With an energetic, can-do and charismatic style, she designs learning strategies, interventions and programmes that are fit for purpose and tailored to address her clients' world.

With over two decades in the field of HRD, Candida has a wealth of experience to draw from to ensure that her workshops and solutions meet business objectives. Candida is also a seasoned INSIGHTS practitioner and Enneagram certified coach.
