

# NICOLE PROVIDAS SCHOLTZ

*"I want to do work that makes a difference in another's life. Every opportunity that presents itself is an opportunity to reflect, grow and shift. My goal is to create this space for others, and support them in their unique and authentic journey to greatness."*

## Experience & Skills

Nicole is a registered Industrial/Organisational Psychologist with consulting experience in organisational psychology, talent management, bespoke process/intervention design and facilitation, as well as leadership and team development. In addition, she is also accredited in a range of psychometric assessments used for recruitment/selection and development purposes. Nicole co-manages and supervises Shine's Industrial/Organisational Psychology internship program, which was awarded the SIOPSA Presidential Award in 2020 and 2021 for Best IOP Internship in South Africa.

Nicole has worked closely with Kliptown Youth Program over the past six years, supporting them with their leadership and talent development initiatives.
