

Industrial Psychology Board Exam Preparation Workshop

Aim

To assist emerging Industrial & Organisational Psychology (IOP) professionals in their preparation for the HPCSA national examination by facilitating an interactive workshop.

Course Outcomes

1. Explore Legislative Frameworks & Ethical Considerations
2. Discuss Previous Board Exam papers
3. Discuss difference between On-site vs. Consulting Psychologist frame of reference
4. Explore Contextual Framework & Scope of Practice
5. Discuss case studies relevant to IOP working environments

In addition, participants will be aided with insights regarding virtual board examinations.
